Please ask your reps in NJ to alert customers during their normal coverage to the NJ tax issue.

Your help with this matter is appreciated.

Thank you.

Bruce, I hope you get this before Tuesday, June 18. As you know the NJ tax issue is on the front burner. I would like to send out a call-to-action fax alert to 15 retailers and wholesalers that are on our Trade d-base. The alert would go out under your cover, and would define the threat and ask them to call their state Senators and Reps. Let me know if this is OK.  
tnx-mike
